

Hattiesburg delivers an authentic oak hardwood appearance in a waterproof rigid core product made entirely in the USA. Hattiesburg uses subtle color variations, a deep wood embossed finish, and painted bevel edges to deliver a realistic wood look. Hattiesburg also features an attached accoustical underlayment to add underfoot comfort and acoustical benefits to any home. Hattiesburg is a waterproof rigid core product with a durable 20 mil wear layer coated with a ceramic bead finish.
